The Essay Contest is sponsored by Optimist International to give young people the opportunity to write about their own opinions regarding the world in which they live. The approach can encompass a young person's personal experience, the experience of their country or a more historical perspective. In addition to developing skills for written expression, participants also have the opportunity to win a college scholarship!

Club winners advance to the District contest to compete for a \$2,500 college scholarship. The District-level scholarships are funded by the Optimist International Foundations.

The Optimist Oratorical Contest gives youngsters the chance to speak to the world. More than \$150,000 in college scholarships funded by the Optimist International Foundations is awarded annually from this program.

First conducted in 1928, this is the second most popular Optimist International Program. Nearly 2,000 clubs participate in this program each year. The winners at the Club level receive medallions and Zone winners receive a plaque. Districts have the opportunity to provide a first place scholarship of \$2,500, a second place scholarship of \$1,500, and a third place scholarship of \$1,000.

Now is the time to get involved with these scholarship contests. Check the Optimist International website for full details on how to run a contest.

Sandy's Communique'

Well, the Holidays are over and time to think about New Year's resolutions. I hope one of them is concentrating on replacing and/or adding new members to keep your club vibrant and productive. What better way to start the year off right than to invite a friend to the world of Optimism. As a District we are currently -21 in membership (as of 12/20/21).

President Patsy's focus for the second quarter is Optimism- A Philosophy of Life, concentrating on the Purposes of an Optimist Club. *To develop a philosophy of life, utilizing the tenets of the Optimist Creed; To promote an active interest in good government and civic affairs; To inspire respect for the law; To promote patriotism and work for international accord and friendship among all people; To aid and encourage the development of youth, in the belief that the giving of one's self in service to others will advance the well-being of humankind, community life and the world.*

This month I would like to talk about the next line of the creed, which is ***Promise Yourself To talk health, happiness and prosperity to every person you meet.*** This sounds simple, be Optimistic and let it show through your actions and words, but it is so easy to get caught up in the day-to-day drama of life and not always let our Optimism show. Remember everyone

has a burden to bear and it is how we react to that burden that deems how we are viewed by others. I have often said "It is laugh or cry, and I choose to laugh" most of the time. That being said, many of you have seen me cry too, I am a very emotional person and wear my heart on my sleeve.

Keep in mind our second quarter conference is coming up on January 28 and 29th, this will be a **virtual** only conference, so everyone can stay safely home and not be on Indiana roads in the winter. I hope many of you will join us to hear Tracy Huxley, with Optimist International, talk to us about Membership Retention, and share some ideas of ways to achieve that. There will also be other important information shared, as well as some fun. The Zoom link has been sent out to President's and Secretary/Treasurers, so you can get the link from them or send me an email directly for the link.

The Optimist Creed

Promise Yourself

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best, and to expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
