***The Essay Contest** is sponsored by Optimist International to give young people the opportunity to write about their own opinions regarding the world in which they live. The approach can encompass a young person's personal experience, the experience of their country or a more historical perspective. In addition to developing skills for written expression, participants also have the opportunity to win a college scholarship!*

Club winners advance to the District contest to compete for a \$2,500 college scholarship. The District-level scholarships are funded by the Optimist International Foundations.

***The Optimist Oratorical Contest** gives youngsters the chance to speak to the world. More than \$150,000 in college scholarships funded by the Optimist International Foundations is awarded annually from this program.*

First conducted in 1928, this is the second most popular Optimist International Program. Nearly 2,000 clubs participate in this program each year. The winners at the Club level receive medallions and Zone winners receive a plaque. Districts have the opportunity to provide a first place scholarship of \$2,500, a second place scholarship of \$1,500, and a third place scholarship of \$1,000.

Now is the time to get involved with these scholarship contests.

Check the Optimist International website for full details on how to run a contest.

Sandy's Communique'

It's beginning to look a lot like Christmas! I am getting into the Holiday spirit; planning parties, decorating, enjoying driving around to look at all the pretty lights and decorations, and of course spending time with family.

This month I would like to talk about the first tenant of our creed;

"To be so strong that nothing can disturb your peace of mind". WOW, this can be

a challenge sometimes as life and the struggles of our world get in the way of staying calm and peaceful.

I believe if you recite the creed daily and do your best to live it, it will improve your life and your happiness. We can't always be happy go lucky and never experience troubles, but being Optimistic is the best way I know to be the person I want to be. Remember to not just recite the creed but to really let your Optimism show when reading it. We have the opportunity to share Optimism with others and I can't think of a greater gift than that, so ask someone to join your club and spread the joy.

I would like to remind clubs to

check in with your schools about the progress of essay's, it is not too early to be working on this, your club's winning essay is due to Essay Chair- Susie Delay by Feb. 28th, no need to wait until the deadline though.

I would like to extend my heartfelt wish to each of you for a very Merry Christmas and a Happy and prosperous New Year, both in

your personal and Optimist life.

Club Video submissions:

Each club can turn in one video that is 3-5 minutes each quarter, they will be shown at District

Conference and then placed on our website.

Each club that submits one that meets the requirements (time limit) will receive \$25.00 for the club. If they submit more than one per quarter, they will only be paid for one per.

(If they are too long, they will not be shown or put on website)

**A VERY MERRY
CHRISTMAS**
and Happy New Year!

Club Happenings

The Lafayette Noon Optimist Club held a food drive to donate food to the Lafayette Urban Ministry Food Pantry, and are selling Christmas trees as a fund raiser.

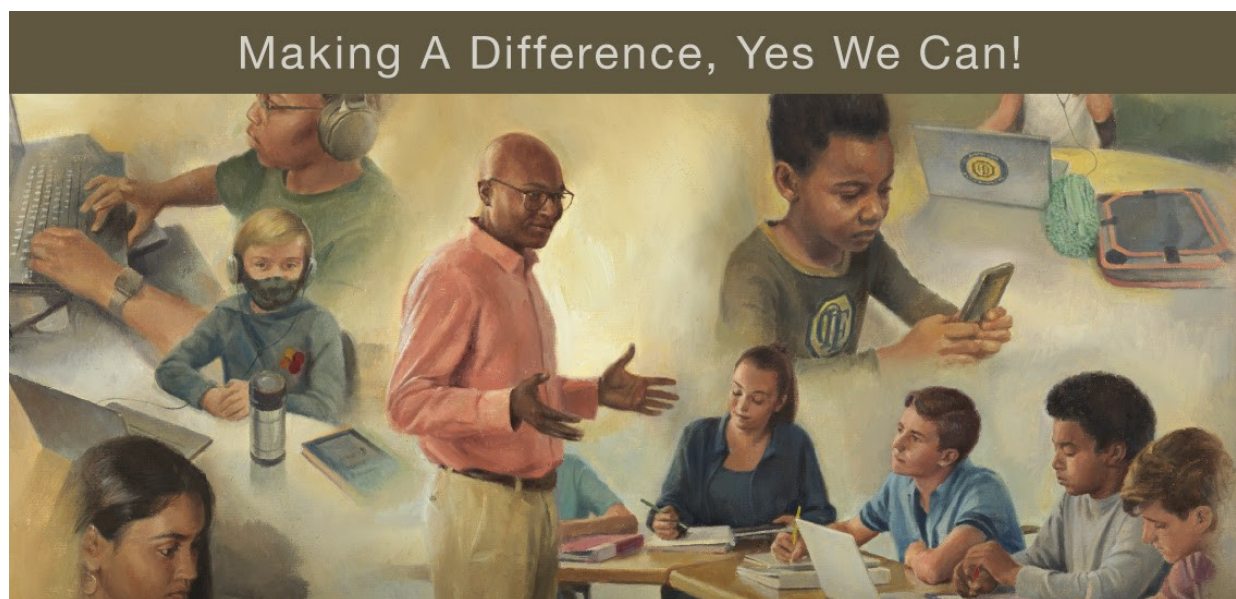

A large contingency of "Opti-Elves" from the Decatur Club descended on Wal-Mart and shopped for 10 kids. The recipients were from the Lists given to us from the Love INC Emmanuel Project.

The Indiana North District's Optimist International Foundation Chair achieved Distinguished Level, Congratulations to Ailesia Franklin, our "Distinguished" DFR.

"One hundred years from now it will not matter what kind of house you lived in, how much money you had, nor what your clothes looked like, but the world may be a little better because you made a difference in the life of a child."
