Gov. Max's Musings

President elects, it is time to have your committees planned out and ready to go. An effective leader will use committees to be effective. Getting your members involved in club planning will pay off through the year.

Presidents and club board of directors, plan a *now* or *wow* meeting and take advantage of the new member incentives. My incentive is 20 dollars for any member who sponsors a new member, a 2- sided club flag for the club that has the most

growth over their October 1st. 2022 membership. Plus, the international incentives for clubs that signed up to participate. Growth is the best way to keep our clubs healthy.

You can still reserve a room at the Warsaw

Wyndham Garden Inn until August 15th. The convention committee has a great time planned, so be there. See you August 17-18.

See sample below

After getting off to a fast start last week the pace of increasing membership slowed a bit....but maybe not this slow...

There were some bright spots and a new leader for the 4th quarter membership incentive program. The lead now belongs to the **Greensburg Optimist Club of Indiana South** which added six members this past week. This pushed last week's leader, **Duldalk of Maryland South Delaware**, into the second position after last week's fast start. The **Chilton Optimist Club in Wisconsin North, Upper Michigan** shifted their race entry into another gear, adding four members. **The B Ridder Optimist Club of Louisiana and the Woodstock Optimist Club in the Gateway District** used NASCAR drafting techniques to stay close this week, adding three members each.

Several other Clubs were able to add two members or one as the second week of Let's Go Racing ended. Only Clubs that have pre-registered for the race are eligible for the competition.

The top prize in the contest is \$1,000 for the Club adding the most members. The Club with the highest percentage of membership growth during the period will also collect \$1,000.

There will also be cash prizes for second and third place in for the number of members added as well as the percentage of new members added. The racing rules require that all new members added during the race be paid members through the start of the 2023-2024 second quarter (January-March 2024) Any club not falling into the top three positions of each category will be placed in a random draw for one of two cash prizes.

Questions about the 4th Quarter Incentive program can be sent to membership@optimist.org.
