Gov. Chris Connection

Happy Optimist New Year! My name is Chris Whitehead, and it's my honor to serve as your IN North Governor for the 2023-24 year. Besides me, and by way of Hawaiian family heritage, my wife Missy, along with Coco the cat, are here to wish you much Aloha and welcome you to our Optimist Ohana ("family").

We are all Optimists who belong to our own local club. As many of you know, our membership numbers as a service organization are declining. We have been focused solely on growth, to the detriment of not paying attention to the members we have. Our membership trends reflect initial growth, then decline, then growth, then decline. The problem is that the declines are outnumbering the growth. Regardless of the district, or region, incentives offered, or awards earned, these trends have held over the past 10 years. It's up to us Optimists who know we belong, to help our newer Optimists feel a sense of belonging, and to encourage them to become Optimists with a Capital O. We need to welcome, listen, and learn from them. I can't stress this enough.

If you've visited Hawaii, when you landed, a person may have placed a lei around your neck at the airport to tell you that you are now a part of the Ohana. You are now a part of the family. The Ancient Hawaiians quickly understood that the people of Hawaii had to live in harmony with nature in order to survive. With limited resources, it was important to instill a code of conduct that would promote unity. Aloha and Ohana are not just ancient spiritual ideas. They are instructions for survival. And you don't have to be family to be accepted into

someone's Ohana. The word is imbued with loyalty, support, compassion, and love. It is a great honor to be a part of an Ohana, and it means that you'll never be forgotten or left behind. But Ohana extends much further than family. It also means home. After all, a family needs a home. To be a part of an Ohana means to protect that home. Our families, including our Optimist families, give us a sense of belonging.

Okay Chris, that sounds great about Ohana. What do I do next? Great question!

Mark your calendars for November 4.

We're extending our Optimist Ohana with a combined Indiana North and South district meeting for the 1st quarter. As a way of honoring our Optimist home – you will receive welcome leis at the 1st quarter meeting.

Between now and then – Think about, how do you tell your Optimist story? We say it frequently enough that for most of us, it's just like breathing, we don't think about it. Let's use the power of telling story to create pathways for others who may just be learning about Optimists, and in so doing, create our own Ohana. As we listen and learn from our Optimist friends, we can say – You matter. You Belong.

Chris & Missy Whitehead

An update on the membership incentive and honor club 22-2023

Fellow optimist as most of you were aware the district had a membership incentive program for the last quarter of my year. From July 1 to September 30 anyone who sponsored a new member gets a 20-dollar reward from the district. You brought in 45 new members in the 4th quarter, that is great. I also had an incentive for the club that finished with the most members over their October 1, 2022, numbers. Lapel added 16 members so they will receive the 2-sided flag from the district.

I want to congratulate West Jay, Portland Evening and Chesterfield for doing everything right finishing the year as "HONOR CLUBS". Way to go on doing optimism right. Thanks to all for a great year.

Past Governor

Celebrate + Address + Recognize = Excel

The new C.A.R.E. program is a structured plan for clubs to celebrate accomplishments while resolving issues and strengthening membership. The four-step annual program is designed to help keep Optimist Club membership healthy, strong and engaged, while allowing everyone to feel they have a voice in their Club's direction.

Celebrate

Host an annual party for your Club members. Send out invites and ask a fellow Optimist to facilitate the program. Celebrate the Club's accomplishments and discuss the impact you have had in your community over cake.

Send out anonymous member surveys through Survey Monkey or JotForm two weeks before the event. It's important that the survey be anonymous so that members can give honest feedback.

Include these four questions:

- What do you think went well this year?
- What do you feel the Club needs to work on?
- What makes you happy to be a member of your Optimist Club?
- Do you have a new idea for a Club community service project, youth activity or fundraiser?

Address

Have the guest facilitator review the survey responses and have an open, unbiased discussion. Be sure to ask a person who is not a member of your Club to be your facilitator. Some facilitator suggestions include a past or current Governor, Lt. Governor or member of a nearby Club.

Address any reasons why members might leave the Club and make a list of potential improvements.

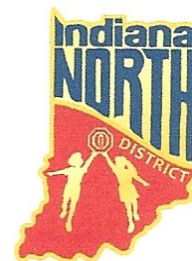

Recognize

Recognize any issues, areas for improvement and ways to strengthen membership, then create an opportunity to recognize members for their accomplishments, exceptional work and efforts throughout the year. Honor members with appreciation awards or a Member of the Year award.

Excel

Plan to move forward together as a stronger Club.
