Lafayette Breakfast held a Respect for Law Awards Ceremony The April rain that was falling Wednesday morning did not dampen the spirit of the club as they awaited their special guests. The three winners of the Respect for Law Essay Contest from Miami Elementary were joining us with their parents to share their winning essays with us and our other special guests, Mayor Tony Roswarski, Police Chief Scott Galloway, who is also a club member, and School Resource Officer Mark Roberts, who selected the final winners. While things didn't go quite as planned, the winners were lauded, applauded and awarded for their accomplishments. Third place winner Kayson Jones (right) had to leave early as his father had to go to work so his moment in the sun was brief. A very shy second place winner Brooklynne Lanum(left), despite the look of pride and encouragement on her father's face, was hesitant to read her essay and was rescued by President Ron Summers, who had some trouble reading her handwriting. First place winner Gracelynn Lemen(above) also was quite shy, and the Prez had to step in once again. However, the shyness seemed to dissipate when the Mayor presented them with a package of passes for Tropicane Cove and Columbian Park and Zoo.

Newsday Tuesday

The excitement is building for our [International Convention](#), June 29 to July 3, 2025, in St. Louis, Missouri. Optimists worldwide will gather for inspiration, training, networking, and just to have fun! This convention promises to be a member experience that you won't want to miss!

But we need your help to do this right!

Optimist International sets a break-even budget for each convention that keeps registration and meal fees to a minimum, ensuring that this event is as affordable as possible for our members. The registration fee covers the essentials of the convention, including the cost of meeting rooms, general session production, trainings and workshops, audio/visual equipment and more.

To make this year's convention extra special, the Convention Committee needs your help to add several special features that go above and beyond the basics. Do you have any connections or know of a potential sponsor or donor for the following?

Opening Ceremony — Sunday, June 29. We plan to feature non-profit groups as flag carriers, National Anthem singer, and entertainers. Additional funding will allow us to express our gratitude by making a donation to these organizations in recognition of their participation.

Coffee Breaks — Monday, June 30 to Wednesday, July 2.

Youth Program — Monday, June 30 to Wednesday, July 2. Additional funds will help offset the cost of the transportation and meals needed to host the children attending with their families.

If your club or district would like to make a donation toward these additional aspects of the convention, [click here](#) for the linked form to choose a giving level and how you would like to give.

All donors and sponsors will be recognized at the annual convention!

Also, if you're planning to attend the convention, [click here](#) and be sure to take advantage of the discounted early-bird pricing by registering on or before May 1. The registration rate increases by \$50 US / \$68 CAD per member on **May 2**.

them develop to their full potential.

Purposes of an Optimist Club

- To Develop optimism as a philosophy of life, utilizing the tenets of the of the Optimist Creed;
- To promote an active interest in good government and civic affairs;
- To inspire respect for the law;
- To promote patriotism and work for international accord and friendship among all people;
- To aid and encourage the development of youth, in the belief that the giving of one's self in service to others will advance the well-being of human kind, community life and the world.

The Optimist Creed

Promise Yourself

To be **SO STRONG** that nothing can disturb your peace of mind.

To talk health, happiness and prosperity
to every person you meet.

To make all your friends feel that there is something in them.

To look at the **sunny side** of everything
and make your optimism come true.

To think only of the best, to **work** only for the best and to
expect only the best.

To be just as enthusiastic about the **SUCCESS** of others
as you are about your own.

To forget the mistakes of the past and press on to the
GREATER ACHIEVEMENTS of the future.

To wear a cheerful countenance **AT ALL TIMES** and give
every living creature you meet a smile.

To give so much time to the improvement of yourself that you have
NO TIME to criticize others.

To be too large for worry, too noble for anger, too strong for fear,
and **too happy** to permit the presence of trouble.

Optimism is positive thinking lighted up.
